4 wk Drumming Class with Jared Steer

We are very excited to be able to offer this unique opportunity to Holderness & surrounding communities

During his career, Jared has had the pleasure of playing a variety of venues around the country, ranging from the Hatch Shell in Boston, to the Lincoln Center and Symphony space in NYC, to live Sirius Radio performance in Washington DC. In addition to his busy performing schedule, Mr. Steer is a sought-after drum set/percussion instructor. Since 2001, he has maintained a full roster of private students at schools such as The Manchester Community Music School, New Hampton School, Inter-Lakes High School, Sant Bani School, Holderness Prep School, and his home studio in New Hampton.

Mr. Steer strives to provide his students with a solid education in the fundamentals of drumming while maintaining an atmosphere of fun.
