

Holderness Recreation Department Fall 2006 Programs

From the Director's Desk

Welcome to our Fall 2006 brochure. The summer has come and gone, gone where I'm not quite sure, but gone for this year anyway. The past summer was a busy one here at Holderness Recreation. We had a great turnout for our Goals Galore Soccer Camp. This took place at the end of June and we had 55 kids in attendance. Bravo to Shawn Griffin and his crew.

Our swimming program continued to be a success with 30 participants during the 8-day program. Being a water front community, we certainly know the importance of teaching kids to swim early. Thanks Joyce for another great year.

Also this summer, we saw more kids in our summer program than we have had in a couple of years. Our staff was wonderful and kept the kids coming back for more. We went to a Fisher Cats game, The Christa McAuliffe Planetarium, Clarks Trading Post, Pirates Cove Mini-golf and so much more. The kids even planted their own pizza garden with basil, tomatoes, green peppers and oregano. As we look to the fall for inspiration for our next set of programs and classes, we find Swing Dance Lessons, with returning instructor Byron Ricker, Creative Scrap booking classes, Little Cookers, Kids Crafts, The Second Annual Harvest Festival and a whole lot more. Please take a minute to read through and enjoy.

Yours in Recreation,

Wendy Werner

Recreation Director
