

Holderness Recreation Department
Winter Programs
968-3700, holdrec@roadrunner.com

This is a new program for Holderness Recreation and we are excited to offer it.

Come and join Julie Wirth for a late morning of music and fun!

The class is a time for you and your child ages birth to 5 years, to learn basics concepts, following directions and social skills in a group. It is a fun environment to learn and develop using music. Our brains enjoy music as much as we do, making it an easy way for everyone to learn and have fun. Not only do songs expand spoken vocabulary, but music promotes listening skills, memory and motor skills. ****New day and time!**

When: Friday's from 10:30—11:15 a.m.

Classes are ongoing.

Where: Holderness Fire Safety building

Cost: \$7/family / visit or 5 visits for \$30

Please call Wendy at 968-3700 or email holdrec@roadrunner.com for more info.
