Swimming Lessons start Next Week!

Week 1 July 18th — 22nd
Week 2 July 25th — 29th.

Space is still available for this high quality program. Being in the lakes region and a waterfront community, it is so important for all kids to learn the life skill of swimming. The cost is \$47 for residents and \$57 for non-resident. Forms are available on the town website and at Town Hall. You can also call to have one mailed to you.

Livermore Town Beach

Beach passes and copies of the beach rules are now available at the Town Clerk's office in Town Hall.

Passes are issued to Holderness residents and taxpayers for \$15. Passes must be shown to the Beach Attendant on duty, in order to use the beach.

Please read the beach rules and abide by them.

Early Bird Exercise

Looking for something to do this summer to get your exercise routine in order? This class starts bright and early so that you have the rest of the day to yourself. Your workout will incorporate aerobic workouts, free weights, stability balls, and even utilize hallways and stairs at the school. Class schedule is Mon, Wed., and Fri., from 5:30—6:30AM. Cost is \$50 for a 8-week session.

Instructor: Anne Packard

Recreation Board Members

Tom Stepp, Chairperson
George 'Biff' Sutcliffe, Secretary
Shelly Swanson
Janis Messier
Molly Whitcomb

Holderness Recreation relies on it's volunteer board members for oversight of the department budget, program review and the Town Beach. The committee meets once per month at Town Hall. If you would like to take an active role in your recreation department, please complete a volunteer application, which you can find at Town Hall.

Adult Yoga—all levels

Lori Card has been teaching yoga in Holderness since the new year started. She has a wonderful personality and truly enjoys sharing yoga with us. She is currently offering adult Yoga for all levels on Wednesday evenings 5:30-6:45 and Tuesday & Thursday mornings 10:-11:15. Classes are on going. A punch card for 6 classes is \$60 or \$12 drop in.

Sciensational Workshops

Chemical Magic—Magical Microscopes—Rocks and Minerals

Learn to make batteries from fruits or potatoes. Make a fantastic crystal tree. Work with invisible ink. See the happy and sad balls. Work with our powerful magnets. Look at our prepared slides using our microscopes. Learn about the different types of rocks and minerals from our interesting rock and mineral collection. Make glob from glue. Use paper chromatography to separate colors. Make dirty pennies turn clean and clean ones turn green. Everything will be explained to you so you can go home having learned some interesting science. Hands on science is the best way to learn.. **Ages 6—11**

Cost: \$135 for Sciensational only Resident fee
Or \$209 for Sciensational & SummerEscape Resident fee

This program can either be taken as part of SummerEscape or separate. You do not have to be enrolled in SummerEscape to take this class. There is a separate fee for this class.

We still have room in this program, so sign up today by contacting Wendy at 968-3700 or holdrec@roadrunner.com
