

**2005 TOWN OF HOLDERNESS  
ANNUAL REPORT  
DEDICATION**

To the residents and taxpayers of Holderness it is our sincere pleasure and honor to dedicate this years annual report to the numerous Holderness residents who serve for little, and in most cases, no compensation on the many boards and committees that contribute to the successful operation of our town government. Countless hours of personal time are given year after year by individuals who are committed to the process of small town government. Without these concerned and dedicated folks Holderness would be just another town rather than the community of great pride and community spirit that it is today.

To all our board and committee members please accept this 2005 annual town report dedication as a small token of our sincere appreciation for the vital service you provide to your community.

On behalf of the Residents and Taxpayers of Holderness,

Sincerely,  
Holderness Board of Selectmen  
Peter Francesco  
Samuel Laverack
