

Classes start  
October 2nd

Join Ms. Kisha  
for a morning of music, movement and fun!

This class is a time for you and your child ages 8 weeks to 5 years, to learn basics concepts, following directions and social skills in a group. Songs, puppets, rhythm, instruments, sign language and more! Music with Mar. is an internationally respected music program for preschool-aged children and their caretakers. Maryann "Mar." Harman, the program's creator has a music degree and a Master's in Education. This background is combined with her knowledge of current brain research to create the songs used in the program.
