    - Field Trips were discussed. The board feels that FT are not vital to the program, but if we want to do a couple and they can be done safely, they will support that. However, there is a lot of logistics, time and cost since we would need two busses or one bus making a couple of trips to keep the number to 20 ish campers on the bus at a time.
    - There was a brief discussion about making mask exemptions and at this time, we are sticking with our mask policy that is for everyone.
    - We discussed giving a 50% discount to a staff member that has a child attending the program.

5. Next meeting – June 14<sup>th</sup> at 5:30

Respectfully submitted,  
Wendy Werner
