

# VISION BOARD WORKSHOP

HOLDERNESS RECREATION DEPARTMENT

SUNDAY APRIL 7, 2024 12:30–3PM

## What is a Vision Board?

A vision board is a physical manifestation of your goals. Vision boarding involves collecting images or objects that speak to the future you want to create and arranging them on a board for a tangible and aesthetically pleasing reminder of what you want to call in and manifest as well as what you want to release. You can construct yours solo or create a vision board with your partner.

## Process

From 12:30–12:45 We will drop in as a group with a guided meditation to clear our mind's eye and cultivate what we want to call in and manifest for the year (or release).

From 12:45–3 We will let the creativity commence!
